## Scope of Copyright Transfer

By signing this [Copyright Transfer Form](#), I will be relinquishing all personal, professional, and ownership rights, to all designs detailed above.

This signed agreement also includes the [Transfer of Ownership](#) to any variations of the logo previously agreed, and supplied as part of the initial contract.

Example of these included variations could include: multiple colour versions; size and dimensional variations: landscape and portrait; reversed out versions; social media profile images; favicon; etc.

Unless other wise agreed and arranged, I reserve the right to showcase the finished Logo and associated designs in my portfolio, and in any number of online galleries & portfolios, as well as in printed literature including, but not limited to: books, catalogues, brochures and magazines.

## Restrictions & Caveats

The [Copyright Transfer Form](#) does not give you permission, to: use, modify, alter, replicate or borrow, any of the previous and unused: logo ideas, concepts, sketches previously shown and presented during the course of the project.

All original preparation materials, sketches, visuals and unused ideas previously shown, and considered, will remain the property of Graham Smith, trading as: [The Logo Smith](#).

I am free to use these unused ideas for future conceptual, and client work. Where a previously unused idea/design retains a similar look and style to the finished logo, I shall repurpose and style as to be sufficiently different so as not to cause conflict.

**You are free to change, modify and adapt the finished Logo design as you see fit, but you do so at your own risk, and at the risk of diluting, or causing confusion, over your existing Brand Identity.**

## Trademark <sup>TM</sup> & Registered Trademark <sup>®</sup>

It is important to note that Copyright is not the same as a Trademark, or Registered Trademark. [This form does not provide any Trademark ownership, or protection.](#)

If you are seeking brand protection, then applying for a Trademark is the way to go. Unfortunately, I will be unable to help with this process due to complex nature of hiring a lawyer, and correctly applying & registering for a Trademark.
